WORK EXPERIENCE

Self-Employment/Projects
Self-Employment [2022 – Current]

Country: Bosnia and Herzegovina

1. Dog Competition Website
Developed a dynamic website for a dog competition, enabling users to register, login, and post pictures of their dogs. Implemented separate login functionality for judges to evaluate and vote for the best dog. Demonstrated proficiency in PHP and SQL, as well as the ability to design and develop user-friendly web applications.

Content Creator
Gaming Portal [2022 – Current]

Country: Bosnia and Herzegovina
Website: https://www.youtube.com/channel/UC3XPcepY2FDgRbOSDjrv6aA
Business or sector: Information and communication

1. Content Strategy Refinement: Played a pivotal role in refining the content strategy for the YouTube channel, ensuring that it aligned with the target audience and enhanced the viewer experience.
2. Innovative Feature Suggestions: Made valuable insights and innovative suggestions for new features, which were successfully implemented and contributed to the growth and success of the channel.
3. Engaging and Informative Video Game Reviews: Demonstrated exceptional ability to write engaging and informative video game reviews, delivering high-quality and well-researched content to the viewers.
4. Proactive Approach: Kept the YouTube channel up-to-date with the latest releases in the gaming industry, ensuring that the content remained relevant and appealing to the audience.

5. Data-driven Analysis: Actively monitored and tracked the growth of the channel, providing data-driven insights and recommendations for further improvement and success.
6. Communication and Collaboration: Demonstrated strong communication skills, fostering effective collaboration within the team, and maintaining a positive attitude.

IT Tehnician
MecoLada [2022 – Current]

Country: Bosnia and Herzegovina

As an IT Technician at MecoLada I was responsible for connecting computers to the network, ensuring seamless communication across systems. Additionally, I handled system integration, ensuring compatibility and smooth functioning. Regular maintenance and upgrades were part of my responsibilities to optimize systems performance. Moreover, I provided valuable technical and software support, troubleshooting issues and assisting employees to ensure uninterrupted workflow.

Junior Software Developer
Teneo d.o.o [05/2018 – 08/2018]

As a Junior Software Developer, I created PHP-based software solutions for a bank's employee management system. My focus was on developing features for requesting leaves, holidays, and managing profile information. Utilizing MySQL, I ensured seamless data storage and retrieval. My contributions streamlined processes, improved productivity, and enhanced workforce management.

EDUCATION AND TRAINING

Bachelor of Science in Computer Engineering
University PIM [2018 – 2022]

City: Banja Luka
Country: Bosnia and Herzegovina
Website: http://univerzitetpim.com/
Type of credits: ECTS – **Number of credits:** 240

Transferred to University PIM from Visoka škola ITEP after completing 180 ECTS. Successfully completed the remaining coursework at University PIM to graduate with a Bachelor's degree in Computer Engineering. Developed a strong foundation in computer engineering principles, with a focus on web development and programming languages such as PHP, SQL, and JavaScript. Acquired practical experience in designing and implementing web applications using the aforementioned technologies. Proficient in database management and query optimization using SQL.

Graphic technician of multimedia technologies
Srednja tehnička škola grafičkih tehnologija dizajna i multimedije [2014 – 2018]

City: Sarajevo
Country: Bosnia and Herzegovina

RECOMMENDATIONS

Mentor
Name: Ljubica Janjetović
Email: ljubica.janjetovic@univerzitetpim.com

I am particularly pleased to be able to write a recommendation for my colleague Stefan Despotović. Based on our collaboration during his studies at the PIM University, I can say something about his character and work qualities.

Stefan Despotović is an extremely diligent person who spreads positive energy around him and creates a pleasant working atmosphere. He carries out his duties with quality, dedication, and maximum effort.

During the preparation of his thesis, for which I was the mentor, I concluded that he is focused on mastering and acquiring new knowledge, researching, learning, and constantly improving himself personally and professionally.

Furthermore, I would like to highlight that during our collaboration, Stefan has demonstrated the ability to empathize and support others, and he is capable of working in a team.

In conclusion, I believe that as a highly talented, versatile, and hardworking student, colleague, and young individual capable of contributing to the development of his environment, he deserves an opportunity to prove himself. Therefore, I support his intention to share his experience with you and continue his professional and practical development in your organization.

Director / Owner
Name: Goran Penzer
Email: playstationgameplayx@gmail.com

I highly recommend Despotović Stefan for any position requiring a dedicated, knowledgeable, and proactive individual. Stefan's exceptional skills and strong work ethic significantly contributed to the success and growth of my YouTube channel.

As a valued team member, Stefan played a pivotal role in refining our content strategy and enhancing the viewer experience. His valuable insights and innovative suggestions for new features were implemented with great success.

Stefan's ability to write engaging and informative video game reviews was outstanding. His expertise ensured the delivery of high-quality and well-researched content, while their proactive approach kept our channel up-to-date with the latest releases. Furthermore, Stefan actively monitored and tracked the growth of our channel, providing datadriven insights and recommendations.

His attention to detail and commitment to achieving results were evident in their thorough analysis. Aside from their professional contributions, Stefan is a pleasure to work with. He demonstrated strong communication skills, a willingness to collaborate, and a positive attitude that makes them a valued team member.

If you have any questions or require additional information, please don't hesitate to contact me. I am more than willing to provide further insights into Stefan's abilities and accomplishments.

Thank you for considering my recommendation. I have no doubt that Stefan will continue to impress with their exceptional talents and drive for excellence.

Director
Name: MecoLada
Phone number: (+387) 61191796
Email: lada_m@hotmail.com

With this letter, we would like to recommend Stefan Despotović as an extremely valuable and skilled individual in the field of computer equipment maintenance and network systems. We had the opportunity to work with Stefan during our collaboration at MecoLada, and we would like to highlight his outstanding work abilities and character, which make him an invaluable member of any team.

Stefan has demonstrated exceptional expertise and dedication in his work. His deep knowledge of hardware, software, and network systems has been crucial for maintaining our company at the highest level. His ability to develop and optimize network systems has brought significant improvements in the efficiency and productivity of our organization. He has always been ready to provide support and solve technical challenges, which has earned him trust and respect.

Stefan is not only competent in his field but also friendly and highly capable of teamwork. His openness to collaboration, willingness to share his knowledge and experience, as well as his effective communication skills, are invaluable traits. His initiative and commitment to his work have consistently exceeded expectations.

Therefore, we confidently recommend Stefan for any position in your work organization. We believe that his knowledge, expertise, and dedication will make him an indispensable member of your team. We are certain that Stefan will bring innovative ideas and contribute to the success of your company.
